All of the information I have given above is true and complete. I have also read and agree with SPDR's Terms of Adoption. Should an unneutered dog be placed with me, I agree to have it neutered within one month of adoption or by a date agreed upon by me and a representative of SPDR. This dog will reside in my home as a pet. I will provide it with adequate food, water, shelter, training, affection and medical care. I understand that SPDR is a referral service and is not responsible for the accuracy of information received about the temperament, habits or physical condition of dogs available for adoption. I understand that it is my responsibility to see and evaluate the dog for myself before agreeing to adopt it. I am in full agreement with these terms of adoption. Seattle Purebred Dog Rescue is in no way liable or responsible for any damage, accident or injury resulting from the placement of a dog into my household.

SPDR Mission: Seattle Purebred Dog Rescue is a non-profit referral organization dedicated to placing unwanted purebred dogs into suitable homes, and preventing unwanted purebreds from overloading the shelter system. Towards attaining those goals, we promote responsible dog ownership by educating the public in the selection, care and training of dogs. Founded as a non-political organization in 1987, SPDR works cooperatively with breeders, animal shelters, breed clubs, and individuals to accomplish SPDR's purpose.
